

Preschool Newsletter for the Month of December

Themes and Activities

Our theme for December is Bodies!

We will talk about the various parts of our bodies and how they work.

We will also learn about how to keep our bodies healthy by talking about healthy foods and exercise.

There will be babies in the sensory table and we will do science discovery kits about the human body

We will also do art that involve using our feet and hands.

SPECIAL DAYS

- December 13th: Crazy Hair Day
- December 27th: Blue Day
