

Preschool Newsletter for the Month of January!

Themes and Activities

The theme for January is animals!

We will be talking about all the different types of animals there are. We will discuss where they live, what they eat, and how big they get.

We will be able to share about if we have any pets at home and get to share a picture of our pets with the class.

We will explore different art projects that have to do with animal prints/tracks. We will explore animal textures through science activities.

SPECIAL DAYS

- January 11th: Bring a stuffed animal to share
- January 23rd: Bring a picture of your pet to share
