

Toddler Newsletter for the Month of February

Themes and Activities

Our theme of the month is colors and shapes! We will be practicing our colors while we hop across our colored stepping stones. We will practice our shapes with our hopscotch rug, and say the shapes as we go! We will do art with colored shapes to make cool creations! The 26th is random act of kindness day! We will be talking about all the kind things we can do for our friends and family and why it is so important to be kind to others!
