Reminders

Look at the white board on the door to see what your child did that day and for any reminders

Label all winter gear you may bring

Bring winter boots when the snow starts to accumulate

Skill to work on with your child:

Cover our nose when we sneeze!

Strategies to Promote at Home Learning

Language development and communication:

- Sing songs with motions and do simple finger plays that toddler can imitate
- Provide opportunities to explore writing tools, such as large crayons or markers with paper, and allow time for scribbling and drawing.
- Talk about what you and others are doing or saying and describe the actions and results
