

## Young Preschool Newsletter September

**Strategies to promote at home learning for Language and Literacy Development;**

**Speaking...**

- ✓ Respond to children's attempts to communicate using gestures, actions, or words.
- ✓ Talk with children in home language and/or English and encourage children's use of home language.
- ✓ Encourage children to discuss stories read to them.
- ✓ Use language in everyday activities with children and talk about their actions, thoughts, and ideas.
- ✓ Provide opportunities for children to talk and interact with other children and adults.
