### YPS Activities for February

**Week 1: We are learning all about shapes this week! We are reviewing shapes and introducing fun new shapes. There will be lots of fun activities and arts and crafts this week!**

**Week 2: This week we are reviewing colors and exploring what happens when we mix colors! We are learning about combining colors with fun science experiments this week!**

**Week 3: This week we are learning about the Spanish Language and Culture! Each day we will be learning a new Spanish word and another bit of culture.**

**Week 4: This week we will be learning about Sign Language. We will be exploring new words in sign language and learning about why people use sign language.**

### SPECIAL DAYS

- Friday 2nd – Favorite Team Day: Wear your favorite team jersey or colors!
- Friday 9<sup>th</sup>- Family Photo Day: Wear your favorite Flannel
- Friday 16<sup>th</sup>- Great Outdoors Day: Wear your camouflage or other outdoor gear!

#### *Reminders*

*Don't forget to label your winter items!*

*Please take blankets home to wash on Friday. It is flu season, and we want our kids as healthy as possible!*

*Take art home on Fridays!*

#### *Skills to work on with your child:*

*We are working on how to express our anger in healthy ways. We are working very hard on finding a teacher and not using our hands to hit when frustrated. Keep the conversations about gentle hands going at home.*
